

Exam Review

Presented by
Dr. Huaming Chen

ELEC3609/9609
Internet Software Platforms
2025 S2

We acknowledge the tradition of
custodianship and law of the Country on which
the University of Sydney campuses stand.
We pay our respects to those who have cared
and continue to care for Country.

THE UNIVERSITY OF
SYDNEY

Overview

- ✓ **Unit of Study Survey**
- ✓ **Exam Structure**
- ✓ **Exam Instructions**

Exam Structure

- The exam is comprised of 22 questions split into 3 sections.
- Questions are worth varying amounts of marks, so ensure that you allocate enough time to complete each section.
- There are 10 minutes of reading time.
- There are two separate exams – ELEC3609 and ELEC9609.
- Make sure that you complete the correct exam! (20.A and 20.B)

	Question Type	Points	Recommended Time Allocation
Section 1	MCQ	20	20 mins
Section 2	Short Answer	55	70 mins
Section 3	Essay	25	30 mins
Total		100	2 hrs

Short Answer Question Format

- Questions will generally give a recommended number of words/paragraphs for your answer.
- Each question will specify the number of marks.

Example

Question X (5 marks)

Describe the key characteristics of a DDOS attack.

- Consider a complex attack scenario where it might be exploited.
- Consider what can lead to this attack.
- Consider how it will impact the stakeholders, such as in a long-term consequences.

Essay Question Format

- The final two questions require longer-form answers.
- You will be presented with two scenarios and asked several sub-questions related to it.

Coding

- You will not be asked to write code during the exam.
- You will not be asked to test code during the exam.
- You should be familiar with the overall web development process, both front-end and back-end.
- You may be asked questions about Django as a framework or the features it provides (ORM, User module, templating). This is more about the concepts than any specific implementation detail.

Exam Instructions (Front Page)

Duration: 2 hours and 10 minutes (130 minutes).

- 10 minutes of **reading** time, but you can start writing whenever you are ready– you are strongly encouraged to use this time to carefully plan and structure your response before you start writing.

Format: Paper-based exam. You should attempt all questions and follow the instructions for each question carefully.

Specific instructions regarding exam paper:

Keep the answer sheet clean and neat.

Clearly indicate the question number and section number for each answer.

**You reached the end of the lecture.
Thank you and see you next week.**
